

Log into the FMCSA Portal

<https://portal.fmcsa.dot.gov/>

Under “Company Information” select “BASICS Safety Measurement Summary”

Click on “BASICS Details and History”

Click on “Downloads”

Select Dropdown on Focus and select Crash Indicator

A modal window titled "Downloads" with a dark blue header and a white body. The header has a white "X" close button in the top right corner. The body contains the text "Select a focus and file type to download SMS data." followed by two dropdown menus. The first dropdown is labeled "Focus:" and has "Crash Indicator" selected. The second dropdown is labeled "File Type:" and has "Excel" selected. A dark blue "DOWNLOAD" button is at the bottom right of the modal.

Download into Excel file.

Either “Save” or “Print” into an Adobe pdf file
